

myWisely™

The app for Wisely by ADP™ cardholders

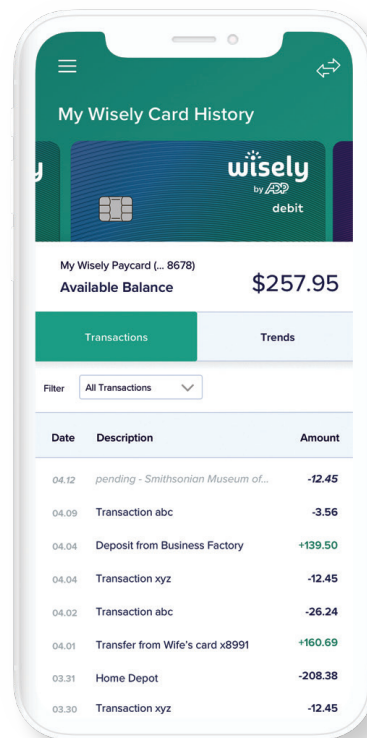

The power of pay, right in your palm

myWisely is a mobile app for Wisely by ADP cardholders, so you can access your Wisely card account to pay bills, manage transactions, engage cardholder services and leverage easy-to-use tools to manage your financial future. With resources for tracking your spending, planning your savings and making better financial decisions, myWisely can help you do more and go farther down a path toward financial wellness.

With myWisely, you have control over your card account(s), with on-demand access and peace of mind that personal information and transactions are safeguarded.

Security features, mobile access and control over your Wisely Card account

When you're on the go, you need a simple, convenient way to manage your money, ensure that your funds are secure and plan for your financial future. When you don't have time to stand in line, hold for a customer service agent or find a bank/ATM location, myWisely puts the power to manage your money in the palm of your hands.

Manage your money

- Deposit checks*
- Transfer funds
- Find ATMs

Map your future

- Financial guidance
- Track your spending
- Savings tools
- Notifications and promotions**

Secure your funds

- Secure access options
- Strict security policies
- Self-service protection

myWisely app is available in English and Spanish

Spending, savings and financial guidance all in one app!

Convenient account access

- **Bill pay** – pay bills to payees, even those that don't accept cards
- **Transfer funds** – from a primary card to a bank account or to a secondary card
- **Mobile check deposit*** – deposit check funds using a camera-enabled smartphone or tablet
- **Monthly statements** – view or download monthly statements
- **ATM locator** – identify locations to load cash funds or for fee-free cash withdrawals from a broad network of ATMs, banks and cash-back, point-of-sale locations

Helpful planning and money management tools

- **Automatic alerts**** – text or email alerts for pending deposits, available balances, transaction approvals, funds transfers or low-balances
- **Financial guidance** – in-app messaging makes recommendations for how you can save more and better manage your money
- **Track spending** – organize purchases into spending categories
- **Savings tools** – establish savings goals, set aside money and discover opportunities to build your rainy day fund***
- **Deals and promotions** – push notifications showcase eligible promotions; view offers and redeem rewards

Security and Control

- **Easy access with security features** – quick, simple and safe access through fingerprint or facial recognition
- **Strict security policies** – passwords are never stored, personal information is always hidden as default and screenshots are disabled
- **Self-service protection** – temporarily lock your Wisely cards to prevent unauthorized transactions; change your card PIN at any time
- **Card replacement** – immediately report a stolen, damaged or lost card via chat; order a replacement card at any time
