International Motorsports Center  
One Daytona Boulevard  
Daytona Beach, FL 32114

Dear Mr. France:

I am Sam A. Cabral, President of the International Union of Police Associations, I.U.P.A., representing active duty, rank and file law enforcement officers across this great nation as well as in the territories of Puerto Rico and the U.S. Virgin Islands.

It was reported to me that NASCAR security personnel asked a group of disabled police officers to leave the Texas Motor Speedway after they were attempting to take pictures with the car representing law enforcement following the race. If this is not true, then I apologize for even asking. If it is true, I would appreciate hearing the other side of this disturbing story prior to our organization issuing any public comment on the matter.

International President
