Dear Senator Ernst,

On behalf of the International Union of Police Associations, I am proud to endorse and support your thoughtful legislation, **S. 4085**, the ***"Ending Taxpayer Funding of Anarchy Act"***.

I applaud you for the introduction of this simple, reasonable, and yet, critical legislation. I completely agree that the U.S. taxpayer should not have his hard-earned tax dollars spent supporting anarchy, lawlessness, and the loss of life as well as the destruction of property that accompanies this disorder.

We have sadly witnessed not only apathy and appeasement towards rioters, but acceptance and even encouragement by those elected to protect the citizens they purportedly represent. That conduct and incompetence should not be rewarded through bail-out monies supplied by taxpayers.

I admire your courage and thoughtfulness in bringing this legislation forward and look forward to working with you and your staff to see it passed into law.

Again, thank you.

Very Respectfully,

Sam A. Cabral
International President
