Dear Will and Courtney Quinby:

On behalf of the International Union of Police Associations, I would like to recognize and thank you for the generous contribution of the lift chair from your business "Tim's Pharmacy and Gift Shop". It will be valuable in the rehabilitation and recovery of Deputy Andrea Moore who was critically wounded in the line of duty.

While a vocal fringe constantly attack our Law Enforcement Officers and some of the media and political figures vilify us, your support is both noticed and appreciated.

I cannot stress how important it is to our First Responders to know that most of our community recognize and support our efforts to keep them secure in their homes and businesses. Your actions typify that support and provide so much more than you realize.

You are the reason these brave men and women do what they do – daily.

Again, THANK YOU!

With deep gratitude and respect,

Sam A. Cabral  
International President
