

I.U.P.A. Blood Drive

In order to do our part to help to address the nationwide blood shortage, the International Union of Police Associations is holding a blood drive at our headquarters on [August 2, 2021 from 11:00 a.m. to 5:00 p.m.](#)

Suncoast Blood Center has graciously agreed to provide us with a bus that day so that employees of the I.U.P.A. and any others who wish may donate to this great cause.
