Dear Steve and Cindy Cullen:

On behalf of the International Union of Police Associations, I want to recognize and thank you for your support of Washington's First Responders. The generous contribution from your business, "Nothing But Bundt Cakes!" to the Firefighters following their tragic experiences from a house fire was well received.

As you know, First Responders are under continued attack from a small, but vocal community of anarchists who seem to be emboldened by the stance of some of our media and a few politicians who benefit from the chaos they create.

We know that most of our communities support and appreciate our efforts to keep them safe. Your act strengthened that belief. It is people like you that are in our thoughts as we kiss our families goodbye and go off into the night.

Again, THANK YOU!

My deepest respect and gratitude,

Sam A. Cabral
International President
