The Honorable Troy Nehls
U.S. House of Representatives
1104 Longworth House Office Building
Washington, DC 20515

Dear Congressman Nehls:

On behalf of the International Union of Police Associations, AFL-CIO, I am proud to announce our support of your thoughtful legislation, **H.R. 4893**, the “**Blocking Lawlessness from Undermining Enforcement Act**”.

As many pound the drums to “defund” the police, they, at the same time, look for funding to provide law enforcement from the federal government. They want to make decisions that quiet the vocal minorities while seeking methods to escape the consequences of those decisions. Your bill prohibits their use of highway funds to do so, and we applaud you for its introduction.

We look forward to working with you and your staff to see this bill move forward.

Very Respectfully,

Sam A. Cabral
International President
