The Honorable Gregory W. Steube
United States House of Representatives
2457 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Steube:

On behalf of the International Union of Police Associations, AFL-CIO, I am proud to endorse and support your much needed legislation, H.R. 28, the "Illegal Alien NICS Alert Act". This bill is necessary to ensure that, whenever the information available to the system established under this section indicates that a prospective firearm transferee is illegally or unlawfully in the United States, the system shall transmit to the Immigration and Customs Enforcement Agency and to relevant state and local law enforcement agencies.

We represent rank and file active-duty law enforcement professionals across this nation, including in the U.S. territories of Puerto Rico and the Virgin Islands. We are the ones who see the rise in crime committed by persons residing in this country illegally. Law enforcement should certainly be notified when such a person is attempting to receive a firearm.

We look forward to working with you and your staff to see this vital bill passed.

Very Respectfully,

Sam A. Cabral
International President
