The Honorable Ken Buck
United States House of Representatives
Washington, D.C. 20515

Dear Congressmen Feenstra and Buck:

The International Union of Police Associations is proud to endorse and support your timely and critical legislation, H.R. 661, "Sarah's Law".

This legislation simply requires U.S. Immigration and Customs Enforcement to take into custody certain aliens who have been charged in the United States with a crime that resulted in the death or serious bodily injury of another person.

It is ironic that such legislation is even needed to take into custody someone who is already in this country illegally.

We will work with you and your staffs to move this legislation forward, and hopefully, see it signed into law.

Very Respectfully,

Sam A. Cabral
International President
