United States Senate
Washington, D.C. 20510

Dear Senators Grassley, Hassan, and Feinstein:

On behalf of the International Union of Police Associations, (I.U.P.A.) I am pleased to announce our support of your thoughtful and timely legislation, S. 1475 the "Stop Pills That Kill Act".

The International Union of Police Associations, AFL-CIO, represents rank and file, active-duty law enforcement professionals across this great nation, including the U.S. territories of Puerto Rico and the Virgin Islands.

Your bill provides investigation, seizure as well as education, awareness, and prevention of these deadly drugs and the counterfeit substances that mimic their deadly results. As you know, these drugs are killing our citizens at an alarming rate and are being found in non-regulated drugs being purchased from abroad.

We look forward to working with you and your staff to see this critical legislation move forward.

Very Respectfully,

Sam A. Cabral
International President
