U.S. House of Representatives

Dear Representatives Granger, Wagner, and Calvert:

On behalf of the International Union of Police Associations, (I.U.P.A.) I am pleased to announce our support of your thoughtful and timely legislation, H.R. 2732, the "EARN IT Act of 2023".

The International Union of Police Associations, AFL-CIO, represents rank and file, active-duty law enforcement professionals across this great nation, including the U.S. territories of Puerto Rico and the Virgin Islands.

Our children are our most precious resource and they must be protected. Many are being groomed and exploited through social media. Your bill provides accountability for tech companies that are complicit in the sexual abuse and exploitation of children. These companies must take full responsibility for removing such content from their platforms. They cannot ignore their role in such terrible and tragic abuse.

We look forward to working with you and your staff to see this critical legislation move forward.

Very Respectfully,

Sam A. Cabral
International President
