The Honorable Elise Stefanik  
U.S. House of Representatives  
2211 Rayburn House Office Building  
Washington, DC 20515

Dear Congresswoman Stefanik:

On behalf of the International Union of Police Associations, I am pleased to announce our support for your timely legislation, H.R. 304 the "To Serve Our Communities Act".

As crime has skyrocketed around this great nation, we are finding that many of these perpetrators have multiple arrests and many are currently free while felony charges are pending. Their threat to our community does not seem to be enough to keep them incarcerated awaiting trial. This must stop.

Your bill will allow a court to determine the danger a suspect poses when considering bail or pre-trial release conditions. It additionally provides funds to hire and retain law enforcement professionals as well as administer public education programs to combat the anti-police rhetoric spouted by the media and too many of our political leaders.

It is far past time that such common sense programs are standard and sad that it requires federal legislation to provide it.

I look forward to working with you and your staff to see this bill move forward.

Very Respectfully,
