The Honorable James Moylan
U.S. House of Representatives
Washington, D.C. 20515

Dear Congressmen Strong and Delegate Moylan:

On behalf of the International Union of Police Associations, (I.U.P.A.) I am pleased to announce our support of your thoughtful and timely legislation, **H.R. 5130**, the “**Finish it Act**”.

The International Union of Police Associations, AFL-CIO, represents rank and file, active-duty law enforcement professionals across this great nation, including the U.S. territories of Puerto Rico and the Virgin Islands.

This bill will require the federal government to provide the inventory of building materials along the southern border to those border states so that they may build the wall this administration will not. It will facilitate the ability of states to protect their borders and restrict the flow of drugs, terrorists, and immigrants that should rightfully be the responsibility of our federal agencies. As it is, taxpayers are paying to store these materials.

We look forward to working with you and your staff to see this critical legislation move forward.

Very Respectfully,

Sam A. Cabral
International President
