The Honorable Abigail Spanberger  
U.S. House of Representatives  
562 Cannon House Office Building  
Washington, D.C. 20515

Dear Congresswoman Spanberger:

On behalf of the International Union of Police Associations, AFL-CIO, representing active-duty rank and file law enforcement officers and professionals across this great nation, including the U.S. territories of Puerto Rico and the Virgin Islands, I am proud to endorse your thoughtful bill, H.R. 7730, the “**Targeting Online Sales of Fentanyl Act**”.

As you know, fentanyl is killing hundreds of Americans every day. Much of it is contained in faux “prescription” pills sold over the Internet. Your bill will provide study into the issue and, hopefully, provide information to assist in stopping this deadly practice. It will additionally gather information regarding enforcement mechanisms and processes employed by providers to penalize users involved in the sale of fentanyl and methamphetamine, including user identification, verification procedures, and subsequent actions, such as account suspension, reporting to law enforcement agencies, and collaboration with legal proceedings.

These efforts are long overdue and we look forward to seeing this bill passed and signed into law.

Very Respectfully,

Sam A. Cabral  
International President
