## Statement of Sam A. Cabral, President of the International Union of Police Associations

Re: Conviction of Donald Trump

Like the rest of this great nation, we waited for the verdict in the New York trial of President Trump; like many, we were **disappointed**, but not surprised, at the verdict.

This, in NO WAY, erodes our support of Trump. We remain convinced that he is the best candidate to bring back the greatness to this country that once was; and that he will restore our economy, secure our borders, and bring common sense back into the administration.

We believe in the American justice system and are confident that this travesty will be overturned during the appeals process.

In the meantime, **our support** will remain **steadfast** and **our endorsement unwavering!**
