Dear Representatives:

On behalf of the International Union of Police Associations (I.U.P.A.), I am pleased to announce our support of your thoughtful and timely discharge petition to force a vote on the **"Social Security Fairness Act", H.R. 82**.

The International Union of Police Associations, AFL-CIO, represents rank and file, active-duty law enforcement professionals across this great nation, including the U.S. territories of Puerto Rico and the Virgin Islands.

Many of our members have paid into Social Security for their entire careers and following their retirements. They are penalized by having earned and paid for benefits denied to them.

There are enough votes to see this legislation move forward, if those who claim to support it, actually do. It is time to see and their votes will guide our votes in November.

We look forward to working with you and your staff to see this critical legislation move forward.

Very Respectfully,
