Statement of Sam A. Cabral, President of the International Union of Police Associations, AFL-CIO

I am pleased and relieved at the outcome of the presidential election. We are proud to have been the first Law Enforcement organization to have endorsed President Trump in each of his campaigns.

Under his leadership, we will once again assume control of the border, support the training and funding of the American Law Enforcement Officer, and, hopefully, see a return to normalcy in our cities.

We look forward to his leadership and to the country we so love and are sworn to protect.
