Statement of Sam A. Cabral, President of the International Union of Police Associations, Regarding Trump Appointments

As the President of the International Union of Police Associations, I applaud Former President and President-Elect Trump on his nominations for both Attorney General and Border Czar. These two positions will have the greatest impact on the American Law Enforcement Officer and the safety of our communities.

Ms. Pam Bondi has extensive judicial experience, having been both a prosecutor and Florida's Attorney General. She will restore transparency, sanity, and credibility to this august office.

We also look forward to the installation of Mr. Tom Holman as Border Czar. His decades of experience with the Immigration and Customs Enforcement will serve him well in this position. We will finally have a czar that will take an active role in securing our border, and returning those who entered our country, in violation of federal law, to their countries of origin. This will enhance the safety and security of our communities as well as the fiscal challenges of harboring criminals in our cities and states.

We look forward to working with both Attorney General Bondi and Mr. Holman to make America great again.
