Statement of Sam A. Cabral, President of the International Union of Police Associations

On behalf of the International Union of Police Associations, I am proud to announce our full endorsement of Mr. Jason Miyares' campaign for re-election as Attorney General of the Commonwealth of Virginia.

The I.U.P.A. represents active-duty rank-and-file law enforcement professionals across this great nation, including hundreds of dedicated members serving in the Commonwealth of Virginia, as well as in the U.S. territories of Puerto Rico and the Virgin Islands.

This endorsement was an easy decision. As Virginia's Attorney General, Mr. Jason Miyares has led with strength, integrity, and transparency — fighting violent crime, standing firmly with law enforcement, and protecting Virginia's consumers from fraud and exploitation. He has consistently backed the men and women who wear the badge, opposing anti-police measures and restoring public confidence in the rule of law.

Mr. Jason Miyares' opponent, by contrast, has demonstrated poor judgment, questionable ethics, and a troubling disregard for legal obligations. Despite his political ambition, he lacks the prosecutorial and leadership experience required to serve as Virginia's chief law-enforcement officer. His record of reckless behavior and self-serving decisions underscores why he is unfit to lead the Department of Law.

Mr. Jason Miyares is the clear and trusted choice to continue safeguarding Virginia's families and communities. The I.U.P.A. looks forward to working with him and his team to ensure his continued success in this vital role.
