¹Students with tuition rates at or lower than \$258 per credit for full-time rates and \$334 per credit for part-time rates are not eligible for any grants or scholarships offered by the University. Students enrolling in the Master of Science in Nursing degree program on or after January 2, 2023, may be eligible for institutional grants regardless of program or course tuition rate provided they meet all other applicable terms and conditions for the grants. Students enrolled in the Nursing Post-Graduate Certificates in Nursing Education, Healthcare Technology, Simulation and Informatics or Nursing Leadership and Administration are not eligible for any grants or scholarships offered by the University. In order to qualify for the grant, all admission requirements must be completed, and enrolling students must provide proof of eligibility by submitting proof of employment. Students cannot receive both corporate and military grants. For additional details visit: rasmussen.edu/tuition/.

²Exceptions apply—review the Rasmussen University course catalog for details.

³Visit rasmussen.edu/tuition/ for estimated total program cost. Starting cost for the MSN Nurse Practitioner specializations is approximately \$50,000. Students in all programs must maintain continuous enrollment to remain eligible for the tuition pricing. A student who withdraws and re-enrolls will be required to pay the tuition price offered at the time of their re-enrollment. Program availability varies by campus and state; please see the Rasmussen University Catalog for details.

*Text messaging terms and conditions apply. Visit corporate.rasmussen.edu/sms for full details.

Rasmussen University is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education.
