MEMO

TO: I.U.P.A. Local Leaders
FROM: Sam A. Cabral, International President
SUBJECT: Union Plus Scholarship and Benefits Zoom Call
DATE: November 20, 2026

I am writing to you today for two purposes. I want to remind you to share this with your members to remind them and their families to apply for the Union Plus Scholarship ahead of the January 31 deadline. I also want to tell you about our upcoming Zoom Benefits Call on January 20 that you and your members can sign up for now by emailing alinaj@iupa.org.

Our I.U.P.A. Benefits Zoom calls can be accessed from anywhere in the country online and they only last half an hour because we know how busy law enforcement professionals are. This call will take place from 1:00 p.m. to 1:30 p.m. on January 20 and it will feature great I.U.P.A. benefits programs that save you money on the things you and your family need! One lucky attendee will win a drawing for a prize, so sign up and plan to be prompt.

The Union Plus Scholarship deadline is January 31. Union Plus Scholarship awards are presented annually to union members or members of their families who want to begin or continue their post-secondary education.

Again, please pass this information about this valuable benefit on to your members and let them know that both they and their family members can qualify to apply. Eligibility information and applications are available online. Visit https://iupa.org/ and click on the benefits tab, then Union Plus Scholarship under educational benefits. While you are there, check out our other amazing benefits also.
